## B Partners / associated policy authorities

[+ Add organisation to the project](#)

The partners need to represent at least three countries.  
At least two partners must be from EU Member States and being financed by the Interreg Europe programme.  
The four geographical areas as defined in the terms of reference must be represented in the partnership. More details can be found in the programme manual (section 4.3.1).  
There must be one lead partner/advisory lead partner per project. Please revise the roles assigned to the project partners.

### ERDF distribution across geographical regions

### Overview associated policy authorities

Organisation	Country
Region Grand Est	France (France)

## C.1 Issue addressed

What is the common regional development issue addressed by the project? Please make sure this information is coherent with the programme specific objective you selected in section A and with the description of the policy instruments in section D.

0/1000

This field is required for submission.

Why is this issue important for European regions? Please be as specific as possible (data and statistics are welcome if possible).

0/1000

This field is required for submission.

How does the project contribute to the EU Cohesion policy? Does it also contribute to other European strategies or policies?

0/1000

This field is required for submission.

## C.2 Project's overall objective

The project's overall objective is to improve the implementation of regional development policies in the field of Smarter Europe (policy objective 1), in particular to improve the policy instruments described in section D of the present application.

Please further describe the project's overall objective below.

0/1000

This field is required for submission.

### C.3 Project innovative character

Please explain the innovative character of the project and of its expected results, in particular in comparison to similar initiatives/projects you are aware of.

0/1000

This field is required for submission.

For projects deriving from past Interreg experiences (follow-up projects), please clarify the added-value of this cooperation compared to the previous experience.

0/1000

This field is required for submission.

### C.4 Project approach

Please describe the approach/methodology adopted to achieve the project's objectives within the core phase.

- How is the learning process organised at regional and interregional levels? If applicable, please describe the different steps you envisage to reach the project's objective.
- What is the purpose of the different types of activities proposed? In particular, how do they contribute to individual and/or organisational learning? How are these activities interrelated?
- How do you ensure the involvement of stakeholders in the learning process?

0/4000

This field is required for submission.

Please explain the approach/methodology envisaged for the **follow-up phase** (i.e. last year of the project)? To what extent are the stakeholders expected to be involved in the follow-up phase?

0/1000

This field is required for submission.

## C.5 Project indicators

### Output indicators

Code	Title	Target	
RC087	N° of organisations cooperating across borders	2	
RC084	N° of pilot actions developed jointly and implemented in projects	0	
O14	N° of policy instruments addressed	0	
O15	N° of interregional policy learning events organised	0	
O16	N° of good practices identified	0	

### Result indicators

Code	Title	Target	Performance (%)	
RII2	N° of organisations with increased capacity due to their participation in project activities	<input type="text"/> <i>This field is required for submission.</i>	0	
RI3	N° of policy instruments improved thanks to the project	<input type="text" value="0"/>	100	

## C.6 Communication strategy

Please indicate the overall objectives of the project's communication strategy.

0/500

This field is required for submission.

Please describe the target groups of your communication strategy.

0/500

This field is required for submission.

Please explain the main communication tools and channels (including social media outreach) that will be used.

0/500

This field is required for submission.

Please describe briefly how the communication strategy will be implemented and evaluated.

0/500

This field is required for submission.

Will the management of the project's communication be externalised?

This field is required for submission.

## C.7 Horizontal principles

Please indicate to which extent the project contributes to EU horizontal principles, and justify your choice.

### Sustainable development

Type of contribution

No selection

This field is required for submission.

Description of the contribution

0/1000

This field is required for submission.

### Equal opportunities and non-discrimination

Type of contribution

No selection

This field is required for submission.

Description of the contribution

0/1000

This field is required for submission.

### Equality between men and women

Type of contribution

No selection

This field is required for submission.

Description of the contribution

0/1000

This field is required for submission.

## C.8 Project management

### C.8.1 Overall management

Please describe how the overall management will be ensured? Which body will make strategic project decisions and according to which rule? What will be the composition of this body? If relevant, how will the responsibilities be shared among the partners?

0/2000

This field is required for submission.

### C.8.2 Day-to-day coordination

Please describe how the day-to-day coordination will be ensured.

0/1000

This field is required for submission.

Will the project coordination be externalised?

This field is required for submission.

### C.8.3 Financial management and reporting

Please describe how the financial management and reporting procedures will be ensured.

0/1000

This field is required for submission.

Will the financial management be externalised?

This field is required for submission.

## D Main policy instruments addressed

[+ Create policy instrument](#)

At least one policy instrument addressed must be an Investment for jobs and growth goal programme.  
Each partner (except advisory partners) needs to address exactly one policy instrument.

### Overview main policy instruments addressed

Number	Name of the policy instrument	Name of the policy responsible authority	Involvement of the policy responsible authority	Investment for Jobs and Growth programme	Country
No policy instruments found.					

### Overview pilot actions

Number	Title	Policy instrument(s) concerned
No pilot actions found.		

## D.1 Policy instrument 1

D.1.1 Territorial context and general description

D.1.2 Addressing partners

D.1.3 Stakeholders

D.1.4 Pilot action

D.1.5 State aid

### D.1.1 Territorial context and general description

#### D.1.1.1 Territorial context

What is the state of play of the issue addressed by the project in the territory covered by the policy instrument? Which challenge needs to be overcome in this territory? Please be as specific as possible and provide detailed information on the characteristics of the territory.

0/1500

This field is required for submission.

#### D.1.1.2 General description of the policy instrument

Please name the policy instrument addressed (for Investment for jobs and growth goal programmes, please provide the name of the operational programme concerned).

0/150

This field is required to save the current page.

Is this instrument an Investment for jobs and growth goal programme (i.e. national or regional operational programme)?

This field is required for submission.

Please indicate the geographical scope of this instrument

This field is required for submission.

Please select how the authority responsible for this policy instrument is involved in the project:

*The authority responsible for this policy instrument is involved as...*

This field is required for submission.

Please select the authority responsible for this policy instrument.

This field is required for submission.

Please describe the main features of this policy instrument (e.g. objective, characteristics, priority or measure addressed).

0/1500

This field is required for submission.

#### D.1.1.3 Expected policy improvement

What kind of improvement do you envisage for this instrument?

New projects financed by the instrument

You must select at least one kind of improvement.

0/1500

Change in the management of the instrument

You must select at least one kind of improvement.

0/1500

Revision of the instrument itself

You must select at least one kind of improvement.

0/1500

Save

## D.1 Policy instrument 1

D.1.1 Territorial context and general description

D.1.2 Addressing partners

D.1.3 Stakeholders

D.1.4 Pilot action

D.1.5 State aid

### D.1.3 Stakeholder group relevant for policy instrument 1

Please provide an indicative list of the most relevant stakeholders (i.e., name of the organisation concerned) to be involved in the project. It is recommended to have no more than 12 entries.

You have 10 entries.

Ladec – Regional Business Development Agency

44/300

LUT University Consortium (LUT University & LAB University of Applied Sciences)

79/300

City of Lahti (representative of citizen engagement and participatory budgeting and/or Industry/Trade Services and/or Regional Employment Services)
