

Interreg Europe 2021-2027 *Partner Search Form for Polish institutions*

(updated for the purpose of the third call)

The Interreg Europe programme invites public authorities (local, regional, central) as well as bodies governed by public law and relevant private non-profit bodies with legal personality from EU-27, Albania, Bosnia and Herzegovina, Moldova, Montenegro, North Macedonia, Norway, Serbia, Switzerland and Ukraine. [Information on the programme](#). [Information on the programme in Polish](#).

- *The Partner Search Form* is an **additional** support measure for the Polish institutions, complementing the online tools offered by the Interreg Europe 2021-2027 programme.
- We strongly recommend using all instruments.
- Before sending this *Form*, please check on the programme's website:
 - [Get inspired](#) (project ideas)
 - [Find the right people](#) (organisations)
 - [Find the right people](#) (Members)

Maybe your future partners are already waiting for you there!

You may also [Share your project idea](#) on the programme's website.

An important note

Before filling in this *Form* please read [The application pack](#).

If you have questions, you may contact the Interreg Europe National Point of Contact in the Ministry of Development Funds and Regional Policy (Anna Stoj, IE@mfpr.gov.pl, 22 273 81 76).

PART 2: Proposed scope of cooperation

2.1 Only for public institutions - I want to be a lead partner

	<u>Information for potential partners</u>
a) Description of my project idea	<p>The project focuses on integrating the Smart Specialization Strategy (S3) with climate change adaptation policy to promote sustainable regional development and efficient adaptation to changing climatic conditions.</p> <p>Project Objective: To integrate the Smart Specialization Strategy with climate change adaptation policy by identifying, analyzing, and improving policy instruments that promote sustainable development and efficient adaptation to changing climatic conditions.</p> <p>Main goals of the project include:</p> <ol style="list-style-type: none"> 1. Identifying new challenges related to climate change adaptation, 2. Adjusting business models to the changing availability of resources, 3. Identifying innovations to counteract the negative impacts of climate change, 4. Raising awareness and preparing regions for extreme climate events. <p>The project supports EU cohesion policy by promoting sustainable regional development, innovation, and the adaptation of regions to climate change. Using S3 as a tool to support the process of identifying and developing innovative, locally-adapted solutions aims to strengthen regional capacity to address challenges and stimulate growth.</p>
b) The idea fits to the Policy Objective	Smarter Europe
c) The idea fits to the Specific Objective	Skills for smart specialisation, industrial transition & entrepreneurship
<p>We would like to focus on the following policy instrument</p> <p>Please remember that the thematic scope of the policy instrument (or a part of it) must be thematically adequate to the project's subject.</p> <p>Examples of policy instruments: low carbon economy plan, development strategy, regional innovation strategy, plan/strategy related to e.g. tourism or other issues, regional operational programme,</p>	We would like to focus on Regional Operational Program of the Masovian Voivodeship 2021-2027

national operational programme, local law, integrated territorial investments, community-led local development etc.	
<p>d) This policy instrument is Investment for Jobs and Growth programme</p> <p>It is either regional or national operational programme 2021-2027, implemented in Poland by Polish Managing Authority, i.e. Marshal Office on regional level, and Ministry of Development Funds and Regional Policy on national level.</p>	Yes
<p>e) We <u>are</u> responsible for this policy instrument</p> <p>Please describe whether your institution is in charge of development and/or implementation of the selected policy instrument, is acting as Managing Authority of regional programme etc.</p> <p>If not: confirm that the policy responsible authority will be involved in the project. Indicate the name of this institution.</p>	<p>No, the Mazovia Development Agency Plc is not the owner of the policy.</p> <p>The owner of the policy is the Mazovian Voivodeship/Marshal's Office of the Mazovian Voivodeship in Warsaw which will be involved in the project as a PP - member of the project consortium. The Marshal's Office is the Managing Authority of the regional program.</p>

PART 2: Partnership
